We are raising funds to support a high-impact social cause focused on the health and well-being of our community.
By being part of the Condors Champions Cup Golf Tournament, you are not only supporting a high-level event, but also helping expand access to medical services and essential resources.
A portion of the proceeds will be allocated to a nonprofit organization to be announced soon, creating a real impact in our community.

DESTINATION OF FUNDS

FIRST LIGHT

Courageous Steps, New Beginnings

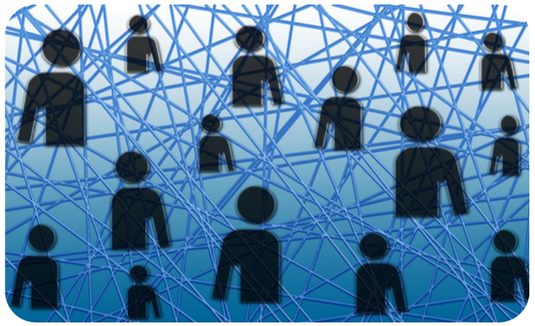

WE PLAY WITH PURPOSE

This year, a portion of the proceeds from the Condors Champions Cup 2026 will benefit First Light, an organization dedicated to supporting women who have experienced trauma by providing a safe community where they can find support, connection, and resources to rebuild their lives and move beyond survival.

Through this partnership, we want the impact of the tournament to extend far beyond the golf course. Every player, sponsor, and participating company becomes part of a cause that helps create new opportunities for women beginning a new chapter in their lives.

BECAUSE THIS YEAR, WE'RE NOT JUST PLAYING TO WIN. WE'RE PLAYING TO MAKE AN IMPACT.
